INDEPENDENT AUDITOR'S REPORT

To: The Board of Directors of Big Brothers Big Sisters of Northern Sierra

Report on the Financial Statements

I have audited the accompanying financial statements of the Big Brothers Big Sisters of Northern Sierra (a non-profit organization), which comprise the statement of financial position as of December 31, 2020, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statement that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Big Brothers Big Sisters of Northern Sierra as of December 31, 2020, and the changes in its net assets and its cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

1.) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General Information: Big Brothers Big Sisters of Northern Sierra is a non-profit organization serving El Dorado, Nevada and Placer Counties associated with the Big Brothers and Big Sisters of America Organization. The purpose is to organize mature and interested adults to create an interaction with youth and to become a positive influence in the development of the youth's life.

Basis of Presentation: The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets without Donor Restrictions: Net assets without donor restrictions are resources available to support operations. The only limits on the use of these net asset are the broad limits resulting for the nature of the organization, the environment in which it operates, the purposes specified in its corporate documents and its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations.

Net Assets With Donor Restrictions: Net assets with donor restrictions are resources that are restricted by a donor for use for a particular purpose or in a particular future period. Some donor-imposed restrictions are temporary in nature, and the restriction will expire when the resources are used in accordance with the donor's instructions or when the stipulated time has passed. Other donor-

Use of Estimates: The preparation of financial statements uses estimates rather than exact measures. The estimates commonly involve summarizations, judgments and allocations which are based on rules and conventions rather than exact amounts. The organization's management believes that the estimates and assumptions are reasonable in the circumstances; however, the actual results could differ from those estimates.

Functional Allocation of Expenses: The costs of providing the Organization's programs have been summarized on a functional basis in these financial statements. Based on estimates developed by management, costs have been allocated to the various programs as they relate to those programs and activities. Many of management and general costs are allocated to programs, administrative and fundraising accordingly.

Property and Equipment: The organization follows the practice of capitalizing all expenditures over \$2,500 for land, building, and equipment; the fair value of donated fixed assets is similarly capitalized. Depreciation is provided on a straight line basis over the estimated useful lives of the assets.

Income Taxes: The Big Brothers Big Sisters of Northern Sierra was incorporated in California on September 14, 1977. The Organization is a non-profit pursuant to a determination letter from the Internal Revenue Service in 1979 and is exempt from Federal income tax under the provisions of Code Section 501(c)(3) relating to organizations operated exclusively for charitable purposes.

9.) REVENUE CONCENTRATION

The organization operates in El Dorado, Nevada and Placer Counties in California. The support and revenues received are from contracts, donations, fund raising and grants generally from within the state of California.

10.) THRIFT STORE REVENUE

Household goods are donated by the community to the organization for sale in it's thrift store. It is impractical to value the donations at the time of receipt. These in-kind goods are sold through the thrift store during the year and have been recognized as revenue at the point of sale. This revenue is not subject to the unrelated business income tax as substantially all of the merchandise is received as a gift or contribution.

11.) CONTINGENT LIABILITY

The Organization has received funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate expenditure disallowance under the terms of the grants, it is believed that any required reimbursements would not be material.

The Organization has a business line of credit for \$16,200. At year end \$0 of the line of credit was used.

12.) SUBSEQUENT EVENTS

The Organization was involved in a legal action with an employee and the final disposition of this matter was settled in 2020. In the opinion of management, the settlement did not have a material effect on the organization's financial position.

On March 11, 2020 the World Health Organization declared the outbreak of the Covid-19 a pandemic. As a result, econimic uncertainties have arisen. Continued financial impact could occur though such potential impact is unknown at this time.

The Organization received a Payroll Protection loan (PPP loan) of \$110,300 to assist in the financial impact and keeping the employees working on the services provided by the organization. Forgiveness was applied for and accepted by the Small Business Administration. A second PPP loan was received in February 2021 and the amount of \$94,800 and is being used for allowable expenses and is expected to be forgiven.

The management of the Organization have reviewed the results of operations for the period of time from its year end December 31, 2020 through June 14, 2021, the date the financial statements were available to be issued, and have determined that no adjustments are necessary to the amount reported in the accompanying financial statements nor have any subsequent events occurred, the nature of which would require disclosure.
